340 SUNDANCER®

The large cockpit has everything for relaxing and entertaining, including a helm seat with flip-up thigh-rise, companion seat and aft-facing seating, plus a refreshment center with wet bar and cooler.

The cockpit table and cushion turn the seats into a comfortable sun pad.

The broad dash places everything in easy sight and reach, including illuminated weatherproof rocker switches, custom backlit instrumentation, tachometer with hourmeter, compass, digital depth finder and VHF radio.

A plush, over-stuffed sofa with a dining table that can be stored underneath encompasses the entire starboard side of the salon. For overnight guests, the sofa converts to a double berth.
